Simla, the 9th July 1910.

Dear Mr. Cardew,
My dear Craddock,

The Government of India understand that on some occasions in recent years ganja has been supplied from the Madras Presidency / Central Provinces to the Mysore State free of duty. Such supply is not in accord with the past practice and orders. (Vide Paragraphs 2 III (a) and 3 / Paragraphs 6 to 9 of the letter of the Resolution of the Government of Madras No 357 Rev. from this department No 4587 - E. dated the 7th October 1899 - enue, dated the 24th July 1896.). Having regard, however, to the fact that the Excise arrangements of the Mysore State are believed to be now on an efficient footing and that the Darbar has shown willingness to co-operate with the administrations of neighbouring British Provinces in Excise matters, the Government of India are pleased, as a Special case, to authorise the continuance of the existing practice whenever this may be necessary. I am to suggest that (~~to Madras only~~, with the permission of His Excellency the Governor in Council) arrangements may be made for the transmission of the ganja under bond on all such occasions.
